

Outdoor Discoveries 2022!

Looking for a fun, outdoor program for your children this summer?

Salt Pond Areas Bird Sanctuaries, Inc. and Kerri Moynihan are partnering to offer hands-on activities, crafts, and games centered on the natural environment for children 4-8 years old. Each program will take place at Bourne Farm, from **9am – 1pm**, the perfect setting for discovering the outdoors! Participants will go on woodland hikes, explore the pumpkin patch, create craft projects to take home, fish from Crocker Pond and play games while enjoying being outside! All sessions include a **weekly topic** exploration through literature, arts & crafts and exploring all Bourne Farm has to offer! Fishing poles and bait will be provided.

Session 1: July 5, 6, & 7th, Tues- Thurs. Bee's Please!

Outdoor Discoveries is pleased to be educating young children about the importance of providing food sources for local bees as well as the important jobs these tiny insects have! Ms.Cathy will join us to plant sunflowers in the Children's Bee Garden and we will also make scarecrows for the pumpkin patch this week!

Session 2: July 12, 13, & 14th, Tues.- Thurs.- Rockin' It

Rocks, rocks, everywhere! Do you wonder where they come from? We will explore, learn about and collect rocks on the farm, trails and around Crocker Pond. Children will decorate rocks for the bee garden, make kindness rocks for our trails and do several rock art projects to take home!

Session 3: August 2, 3, & 4th. Tues.- Thurs. -Birds, Bugs & Insects

Bourne Farm is buzzing and tweeting with insects, bugs, and birds! We'll hike the farm and trails looking for bug & insect habitats and bird nests. What is the important role these special creatures provide in nature? Using bug catchers, we'll bring our finds back to the barn and observe their behavior. We'll also design bird feeders to take home!

Session 4: August 9, 10, & 11th, Tues- Thurs. -Seashore Life!

Children will discover the many types of crabs, shore birds, starfish and jellyfish through fun literature and hands-on exploration! Children are welcome to bring in their own seashore finds this week!

Each Session is \$175/per child. Registration info: please call 508-548-8484 or e-mail spabsfal@verizon.net for enrollment forms.
